

EFFICIENT AND EFFECTIVE ENDODONTICS

SINGLE VISIT PROFITABILITY

4 CE CREDITS

This comprehensive **hands-on** course will take you through all the aspects needed to take your practice to the next level by utilizing the latest and most efficient endodontic techniques. You will gain practical skills that can be immediately incorporated into your day to day work flow. With these fresh techniques, you will build confidence in your endodontic outcomes and trust that they will be consistently successful.

Objectives:

- Learn key indicators for endodontic diagnosis and case selection
- Gain a greater appreciation for access and canal preparation
- Work with the latest tools for efficient shaping
- Explore the available options for irrigation
- Experience state of the art methods for delivering warm, flowable gutta-percha

Please bring 2-3 accessed teeth and loupes.

ENDODONTIST DIWAKAR KINRA, DDS, MS

Dr. Kinra received his dental degree from the University of Michigan, School of Dentistry, in 1999. At that time he proceeded into private practice for the next 3 years. In 2002, he returned to obtain his masters degree in endodontics at the University of Detroit-Mercy, School of Dentistry. In 2004, after the completion of his postgraduate degree, he immediately returned home to begin his solo private practice limited to endodontics in Flint, Michigan. Dr. Kinra has spoken at over 20 universities domestically and internationally. Dr. Kinra also holds an adjunct professor position at The University of Detroit-Mercy endodontic and periodontic departments.
